RE: **Revised Project Special Provision – Litter and Debris Removal**  
Contract ID: DN11665089  
County: Henderson and Polk  
Letting Date: January 10, 2017

The above contract has experienced the following revisions:

On page **G-11**, under **Measurement and Payment**, replace the first and second sentences with the following:

**The quantity of Litter and Debris Removal to be paid for will be the actual number of cleaned shoulder miles. A Shoulder Mile is defined as the length of roadway as measured along the median of a multi-lane facility. Shoulder mileage will be determined from NCDOT county maintenance maps, except in the case of dispute or obvious error, when actual mileage shall be measured.**

These revisions do not change bid items or the associated quantities.
